

iPoolNorth is an **EASY TO USE** program that helps you find carpool matches. This simple to use program can help you conserve fuel, save money, decrease traffic congestion and preserve air quality.

### **iPoolNorth is:**

- **Free** - there's no charge to use iPoolNorth, plus you'll save money when you carpool instead of driving alone
- **Fast** - potential carpool matches are displayed instantly
- **Private** – blind emails are used to contact potential carpool matches
- **Convenient** – a list of park-and-ride lots offer free places for your carpool to meet
- **Accurate** - iPoolNorth provides up to date information
- **Environmentally-friendly** - fewer cars on the road means less congestion and cleaner air for everyone, it's an easy way to be GREEN!

The **Commuter Calendar** also offers you the ability to track the amount of money saved, calories burned and emissions prevented from entering the air when you carpool, walk or bike to work.

Anyone who commutes into **OR** out of Saratoga, Warren or Washington County can use this easy and free service.

With the coordination of ipool2 and the Capital District Transportation Council, commuters from the Capital District will also be included in the search for carpool matches. Please pass this information along to anyone you know who commutes into OR out of the Capital District.

Log on to iPoolNorth **TODAY** to find your carpool match!
